In order to become a **Microsoft Certified Educator or (MIE)** you need to earn a minimum of 1000 points. Points are gained through completion of courses

Questions to answer in the presentation:

1. Why do you consider yourself to be a Microsoft Innovative Educator Expert?
2. Describe how you have incorporated Microsoft technologies in innovative ways in your classroom. Include artifacts that demonstrate your innovation. Your examples should demonstrate that you have cultivated a strong 21st century teaching and learning environment.
3. How have you impacted the learning and growth of your colleagues? Have you reached beyond your classroom to coach/support other teachers in their growth?
4. If you become a MIE Expert, how do you hope it will impact your current role in the next 12 months?

In order to become a Microsoft Innovative Educator Expert (MIEE), you need to be a Microsoft Certified Educator or (MIE) first

The final stage to become a Microsoft Innovative Educator Expert (MIEE) is to submit:

EITHER: 2 minute video

OR: Sway presentation (use O365)

Complete the self-nomination form here - <https://aka.ms/mienomination>
